# HOW TO TEACH YOUR CHILD RESPONSIBILITY

Responsibility is an important trait to instill in your child. Here are some tips to help you teach your child responsibility:

## START EARLY.

Even young children can learn about responsibility. Give them small tasks to complete, such as putting away toys or helping with chores.

## BE A GOOD ROLE MODEL.

Your child will model their behavior after yours, so make sure you're modeling responsible behavior.

## SET EXPECTATIONS.

Make sure your child understands what is expected of them and the consequences of not meeting those expectations.

## PROVIDE OPPORTUNITIES FOR RESPONSIBILITY

Give your child opportunities to take on responsibilities, such as caring for a pet or helping with a sibling.

## PRISE EFFORT, NOT JUST SUCCESS.

Encourage your child's efforts, even if they don't succeed.
